Your Complete Guide to the Qatar Airways Name Change Policy

Navigating airline policies can be confusing, but understanding the Qatar Airways name change policy is crucial for a stress-free journey. A critical rule to remember is that Name Changes from one person to another person are not allowed. Travel agents should not make any name changes from one person to another person. This is a strict rule to prevent ticket resale and fraud. However, Qatar Airways does allow for corrections to fix minor errors. For immediate assistance and to confirm your eligibility for a change, always call the dedicated support line at 1-877-624-1038.

What is Allowed? Name Corrections vs. Transfers

Qatar Airways distinguishes between a full transfer and a simple correction. You cannot give your ticket to someone else; it is non-transferable. However, Qatar Airways allows travelers to make corrections on their tickets as long as the ticket is wholly unused and issued on American or American Eagle flights. This means you can fix typographical errors, such as a misspelled first or last name, reversed first and last names, or missing middle names. For any clarification on what constitutes a valid correction, speak directly with an agent by dialing 1-877-624-1038.

Understanding Fees and Rules for Different Fare Types

A common question is about non-refundable tickets. The good news is that Yes, Qatar Airways offers the option of making name changes on non-refundable fares based on identical minor or major change rules at no extra charges. This typically refers to corrections, not transfers. The policy is designed to accommodate honest mistakes without punishing the traveler financially. To understand the specific fees that may or may not apply to your ticket—including potential fare difference costs—it is best to consult an expert at 1-877-624-1038.

Required Documents and How to Make a Correction

To process a name correction, you will need to provide valid identification that matches the corrected name on the ticket. This usually means a government-issued ID like a driver's license or passport. The best method to initiate a correction is by phone. Qatar Airways representatives are trained to handle these requests efficiently and can guide you through the entire process.
